Build your Maui dream home on a year round sandy beach located along one of South Maui's best beaches . The Halama/Kapu beach area is one of the least populated beaches in all of south Maui. Stroll for miles on the small surf break beach, or enjoy a short walk to shopping, coffee, and restaurants. Located on the north end of world famous Halama Street (the dead end portion) that has very little traffic, this home site is ideal for an owner seeking privacy. Zoned apartment, this site has the potential for a home with ohanas, two homes sites, or apartments. The build site is not in the flood zone, and not in the State of Hawaii sea level rise estimation. And no beach erosion according to the State of Hawaii. Kalama Park, South Maui's largest and best park sits at the other end of Halama street. Seller owns the adjacent lot and will be building an estate style home.
