Pleasant ocean views and a spectacular remodel in this end unit with additional side window, no surface untouched. Split system AC installed in 2022 makes cooling the condo much more efficient than the original AC. Custom cherry wood cabinets, granite countertops, stainless appliances and tiled floors accentuate the beautiful kitchen. Bathrooms are also updated with cherry wood vanities, granite countertops and tiled shower surrounds. Interior doors have all been updated, nothing to do but bring your suitcase and enjoy. Water heater, microwave and dishwasher were replaced in the last 2 years. All three lanais and water proofing were retiled in 2022. Call your favorite REALTOR to schedule a private showing today.
