Napili Shores, Napili/Kahana/Honokowai, HI

Napili Shores stands as a captivating condominium resort nestled along the sun-kissed shores of Maui's west-facing coastline in Hawaii. This destination is a favored choice among travelers seeking a Hawaiian retreat, set against the backdrop of the enchanting Napili Bay and the tranquil landscapes of the island. Celebrated for its breathtaking sunsets, immaculate beaches, onsite restaurants and verdant tropical surroundings, the G257 studio at Napili Shores boasts lofty vaulted ceilings, split AC system, a fully-equipped kitchen, and a private lanai. The utilization of a Murphy bed significantly enhances available space when it's not in use. Positioned on the second floor, you can keep the sliding door open throughout the night, providing an opportunity to enjoy the soothing sounds of the ocean. This orientation offers a panoramic view of both white water and blue water from the unit's lanai. The unit faces northward, ensuring there is no direct sunlight, allowing you to relax on your lanai throughout the entire day. Additionally, the unit benefits from a tranquil location, situated in a quieter area due to the expansive green space, the absence of walkways directly in front of the building, and its distance from the pool areas. Upgrades include stainless steel appliances and an open layout. Napili Shores G257 invites you to experience a tropical escape like no other.
