2 Bedroom, 2.00 Bathroom, 1,118 sqft
Residential on 3 Acres

N/A, Napili/Kahana/Honokowai, HI

The small Kahana Village leasehold complex consists of only 28 two bedroom and 14 three bedroom units on over three acres of land. This upstairs two bedroom, two bath unit is quite spacious (1118 square feet and an additional 140 square feet of covered lanai) , with an open floor plan and vaulted ceilings adding to the sense of size. Looking directly to the northwest towards the island of Molokai, the unit enjoys views of sparkling ocean water, a clear baby blue sky and turtles all year long and whales (in season). Additionally, it is only steps across small grassy areas to the beaches (and a real beach with sand in Kahana!). The interior has been remodeled, with clean kitchen and bathroom design and contemporary furnishings. Worried about air conditioning? There are three ductless/split systems for your added comfort, as well as ceiling fans. Should you desire to rent your unit when it is not being used by you and your family and friends, this unit is in a highly successful rental program. Kahana Village is coveted as a quiet, peaceful, serene complex with Hawaiiana landscaping, low density and an ideal location ... which may contribute to the fact that units rarely come onto the market. Owners like what they own and do not wish to "give them back". Oh, and by the way, the lease does not expire until 2068. Simply speaking ... another "simply wow"!
