It doesn't get much better than spending 2 weeks in this sixth floor ocean front time interval located in Tower 1. The wraparound corner lanai provides a panoramic view of Black Rock, Kaanapali Beach, the neighbor islands of Lanai and Molokai and the Pacific Ocean like few places you'll find in all of Maui. Wake up to ocean views from bed and watch the sun set from your lanai each night. The owners of this interval have collectively added furnishings, paint and other decorative items that are an upgrade from the standard time interval decor. Annual occupancy dates April 29 to May 13.
