This rare jewel of a property is being offered with the beautiful Waikapu Stream as one of the boundaries. This tropical oasis is usually not available in a location that's just 5 minutes from the heart of Wailuku town. The Waikapu stream is one of the four waters of Na Wai Eha ahupua'a. The name Waikapu means "water of the conch" or conch-shell that was used to signal important events and ceremonies. The two dwellings on this property are solidly built with brick exterior walls and the main dwelling is dated and needs some work and consists of 3 bedrooms and 3 full baths, a sunken living room with fireplace, a family room with acoustic ceiling, a den or spare guest room, central AC and a spacious interior laundry room. The charming cottage has 2 bedrooms and a full bath. Enjoy the peace and tranquility from this one of a kind stream property. Relax to the sounds of the rushing waters as it flows along the curves of the stream bed. Try your skills in catching prawns, crayfish and guppies right in your own backyard! Easy to view with short notice.
