Ocean View Estates, Wailuku, HI

Looking for a beautiful, high quality home on a spacious lot for under \$2M, with an amazing ocean view? This might be the best value on the island, and is certainly one of the most perfect homes in the Oceanview Estates subdivision. The mountain views are just as beautiful from this sprawling 3500 sf, 3-bedroom, 3-bath 2-story home with 870 sf of lanais and garages for three cars, plus 870 sf of lanais, all overlooking the ocean. The main living area and two garages (for three cars) are on the street level, which happens to be upstairs because the lot slopes down from the street. You walk in the front door or garage entry, and you'll pass a large laundry room on the side, to see the spacious gourmet kitchen and living room, and off to the right is the primary suite, all with amazing white water ocean and Haleakala views. The big wide kitchen granite countertop is great for cooking and entertaining, and you're sure to love the quality solid wood cabinets - no cupboards, all drawers for easy access. Downstairs are two bedrooms and two baths, and with a little modification, you could have one or two ohanas for extended family and/or rental. The high quality 50-year roof comes with a lifetime warranty! Some other fantastic amenities: 35 owned, net-metered PV panels, 100 gallon solar water heater and tankless water heater, whole house water filtration system, central vacuum system, two laundry rooms, and more! Oceanview Estates is particularly beautiful with the ocean views, underground power lines,

and the subdivision is conveniently located next to the Waiehu Golf Course, just 5 minutes from Wailuku town, above the famous surf spot "Sandpiles", and ten minutes from Costco and other conveniences in Kahului. Call today for a private tour!
