Beautifully contemporary remodeled large home with room(s) for everyone. Upstairs is the main suite, roomy and spacious with a stargazing, Olinda ocean view lanai deck that connects to the expansive comfy living area. Ultra functional kitchen and inviting dining for gathering in the way we live in 2025. The main suite is adjacent to an office or nursery room. Downstairs there are bedrooms surrounding and centered by the den/game area, plus yoga/art/craft room affectionately called "the nest" and laundry room. Furnishings could be included. Both the inside & outside of this property is expansive and ready for the fun. There is the quintessential 2Br/2Ba open design cottage, with fenced yard, including the ohia™s and awa™s and fantastic tenants. The grounds have trails for biking/walking and a storage unit and a multilevel tree house, the coolest one you will find, which includes a counter-balance ladder hoist. Enjoy listening to the birds from this peaceful & tranquil Olinda location away from neighboring structures focused on closer proximity to schools, sports and activities. Very well maintained, recently remodeled on 2+ outside-ie fun acres. Enjoy the cooler summers and perfect winter weather. The large trees were removed to create a light bright sweet environment and the trails. Make this your fantastic place to call home.
